Old Friends Down in River

The incredible winds of Bob did not spare the relatively protected trees of the river valley and some trees that have graced these banks for most of our lifetime have taken the plunge. The tree above is just south of Arch Bridge and has leaned east over the water for most of its existence. Many a photo of the bridge has been framed by that tree. Generations have sought its shade as they waited for the appearance of the river race leaders. This bend will look strangely empty now.

took a fearful wracking in that 110 MPH wind and all who witnessed it at the time of the sea surge marveled that it was still standing after the eye passed through. It was a testimonial for the builders- the Lions of Mattapoisett. However, close examination of the supporting columns indicates the very good fortune that made the storm go through so swiftly. At least one column is moved three inches off the center

SPECIAL TOWN MEETING
MATTAPOISETT SELECTMEN'S MEETING
OCTOBER 8, 1991-by VIRGINIA MORGAN

Selectmen last Tuesday tentatively set the date of December 2nd for a Special Town Meeting which will include two articles placed by the Board of Assessors. There may be additional articles included, Selectmen Chairman John DeCosta noted.

At a joint meeting with the Finance Committee and Assessors, it was recommended by Assessors Chairman Michael O'Brien that the first article seeks $6,500 to pay for a computer set-up, supplied by the State Department of Revenue. Mr. O'Brien said the MS DOS system will include software and training free to the town. He added that the $6,500 figure is less than the original figure requested at the May annual town meeting of $12,000 because of the financial con-

dition of computer companies at this time.

The second article will seek $33,500 for the required 10-year revaluation during which taping and measuring of buildings has to be done to verify measurements. Mr. O'Brien said, "$15,000 will be used to hire people to do the taping and measuring; $5,000 to hire a person part-time to update the information cards, and $13,500 to be paid to the three assessors for 20 hours each per week doing leg-work viewing the properties. The chairman noted "we are hoping with the new computer system we won't have to do this every ten years on such a large scale; the information will be in the system." At a total cost of $40,000 this year, the cost will be less in the second year of the project. This cost is one-half of the $180,000 the town paid nine years ago.

The tentative date is contingent upon obtaining the auditorium at Old Rochester Regional High School and arranging the date with Moderator R. William Blasdale.

In its meeting with the Finance Committee, selectmen heard from its Chairman, Robert Banz, that there is a $51,657.36 shortfall in the budget. Various ways in which this amount can be made up were discussed with Town Accountant Joseph Bolton and the committee, including possibly obtaining $50,221.22 from the Overlay Surplus and work with de-

the law reads that Enterprise funds can be used to balance a town's budget or town budget funds can be voted to help an enterprise fund; it works both ways and requires voter approval.

A third possible solution to take monies from the Stabilization Fund was discussed; however, both selectmen and finance committee members felt these funds should be left for small capital items and not budget items; this is not free cash it was noted. Mr. Bolton said that a recent law says the Stabilization Fund can be used for any lawful purpose. It was the two boards' option to use the old rule - only small capital items.

Mr. Bolton said the local receipts are down considerably - $50,000 for excise taxes, and cherry sheet figures are down about $5,000 less than expected.

At next week's selectmen's meeting two persons will be appointed to the Finance Committee by a joint vote of the moderator, chairman of the Mattapoisett School Committee and selectmen chairman. There have been four applications to the post.

In other business, selectmen:

RECEIVED SEVERAL LETTERS thanking the Board of Selectmen and town departments for their assistance during and after the hurricane, including:

or damage of personal residences and businesses frequently accompanies disaster situations. By assisting the SBA Disaster Area I Office in its mission to provide low-interest loan assistance, you materially affected the prompt return of your community to a pre-disaster lifestyle."

Mattapoisett Nursing Home, Inc: Linda Turcotte-Shanski, R.N., Director of Nursing, "On behalf of the residents and staff at the Mattapoisett Nursing Home, I thank the employees of the town for their prompt response and aid to us during hurricane Bob. Needless to say, many people were without power for days; the nursing home regained power on Friday at 5 p.m. By helping us to start our generator and at one point reviving the generator during that long week, we were able to continue to serve and care for our residents."

Angelica Point Improvement Association, Bill Dumas, president: "We take this opportunity to thank the Town of Mattapoisett for the concern, consideration and professionalism that they displayed before, during and after the hurricane. Due to your efforts, this whole disaster has been easier to handle.

And to the Board of Conservation, Board of Health and Building Inspector, we appreciate your being patient and working with us on the road back.

"A special thank you to James Nunes and Charles Ouellette of the Highway Department as well as Health Agent Dale Barrows, for their outstanding efforts and consideration in reopening the area. Mattapoisett is clearly a great community to live in."

WERE NOTIFIED by Sheila Cheimets of her resignation as Executive Director of the Massachusetts Municipal Association (MMA). Her 25 years' involvement with local government, 17 of those years in various roles at the association, have been "exhilarating, exciting and wonderful years", she wrote. "It is clearly time for me to take a deep breath and think about another kind of role", she continued.

Selectmen Chairman DeCosta sent Ms. Cheimets a letter, saying, in part, "I am extremely sorry to see that you are leav-

You have been most knowledgeable and willing to assist our town over the years. Your expertise has been greatly appreciated, and you will be sorely missed. On behalf of the Board of Selectmen I wish you the very best in your future endeavors."

WERE INFORMED by SEMASS that the town is liable to pay the base acceptance fee (an undisputed charge) for the month of August in the amount of $4,869.60. Other amounts are in dispute, selectmen noted, but this bill is not concerned with that disputed amount of cost per ton still in negotiation.

Executive Secretary Carol Adams informed the board members that special town counsel Thomas Crotty said the town is required to pay the undisputed amount but in any event not less than 90 percent of the last 12 months average bill, whichever is higher. She noted the base figure is higher than the 90 percent and that a check in the correct amount has been sent by the town accountant.

Volunteers Needed by MADD

The Plymouth County Chapter of Mothers Against Drunk Driving is looking for help with its holiday campaign to discourage drunk driving.

Volunteers are needed to distribute red ribbons as part of the "tie one on for safety campaign".

The volunteers will coordinate their efforts in supermarkets nationally during the first two weekends in November. They will distribute a red ribbon and information about drunk driving as well as a complimentary coupon book.

If you could spare an hour the weekend of the 7-10 of November it would be of great help.

To volunteer or for more information please call Susan Hoyt at 758-6947.

New Health Care Proxy Law

PUBLIC MEETING TO EXPLAIN LAW

The new Health Care Proxy law passed by the Massachusetts legislature in the last session will be the subject of the 1991 annual meeting of Lighthouse Hospice, according to executive director Mary Luby. The meeting, which will be open to the public, is scheduled for Monday, October 28th, from 5:30 to 8:00 p.m. at the new Wareham Public Library.

The Health Care Proxy law provides a simple and legally recognized means to assure that a person's wishes regarding medical care can be honored even if the person loses the ability to express those wishes. Speaker

NELI McCOMBE BECOMES U.S. CITIZEN

Story and photo by Virginia Morgan

Her family said to her "good-bye green bean"; "hello jelly bean", and she loved it.

Neli McCombe, secretary to the Mattapoisett Board of Health, received her citizenship papers on September 27th after almost a year of preparation. She was sworn in with 177 others at the U.S. Department of Justice, Immigration Service, Kennedy Building, Boston.

Neli, married three years ago to Shawn McCombe, now lives in Rochester. A native of St. Michael, Azores, Neli, 25, came to

the United States at the age of 14 and has held a green card since her arrival. The green card, hence the nickname "green bean", and "jelly bean" for one of America's favorite candies, Neli explained.

"I spoke English when I came here - the British type of English; now I speak the American-type of English."

Neli explained, "One has to be in the United States five years before you can apply for citizenship. The paper work started a year ago when I got involved with the help of selectmen's secretary Melody Mills' sister-in-law. I got books from a friend of my sister who let me use her books. Books can also be purchased or one can take classes", Neli said.

"I never thought they would ask so many questions - 50 of them about American history and the set-up of the United States government, as well as reading and writing tests. I had to learn the names of all our presidents. I took the test in March in Boston and had to wait six months for the swearing-in ceremony."

Neli proudly displayed the certificate with her photo which was presented at the official ceremony. She explained the Immigration Service told her the certificate could not be photographed. "I can now

A congratulation card with an American Flag was signed by her fellow workers at the town hall which pleased her very much. "My sister has applied for citizenship and has just completed her tests and is now awaiting her notice on the date for her swearing in ceremony," Neli said.

Board of Health members Chairman Robert Field, John Bowman and Daniel C. Lee are very proud of Neli and have congratulated her on attaining her citizenship.

MATTAPOISETT

Have you seen any suffering servants lately? You know the kind; the ones who give in ways that only a few understand, and may even be maligned for their efforts. They are the ones who continue to give without thinking of their image or reputation. Ultimately their examples show us a better way, even if they must sometimes receive credit long after they are gone. "What, Me Suffer?" will be the title of the sermon on Sunday, October 20th, at the Mattapoisett Congregational Church. Please join us at our worship service which begins at 10:00 a.m. Nursery service is available.

AUTUMN FESTIVAL

On October 10th an Autumn Festival was enjoyed by the residents of the Mattapoisett Nursing Home. A harvest of cider, cheese, crackers and apples were served by the Ladies Auxiliary of the Fairhaven V.F.W. Post 2892. A cider toast to Columbus for discovering our beautiful country and a sing-along made for a very pleasurable afternoon.

HE'S BACK ...

Lightning does strike twice - on Sunday, October 6 at 9 p.m., Bill Harris landed this 43 lb. 3 oz., 50½" striped bass from the shore of Mattapoisett Harbor. This eclipses his July 3rd success at the Town Wharf by 9 lbs. and by 1".

If Bill finds anything larger swimming this close to our beaches, we're not sure we want to know about it.

Sippican School Self Study

Did you ever wonder what Sippican teachers and administrators do on half days?

Sippican School has devoted all of its half day afternoons for the past year to working on the self-study for accreditation by the New England Association of Schools and Colleges Inc. (NESAC). The self-study is part of the accreditation process of the Commission on Public Elementary Schools and Colleges. NESAC membership requires that a school undergo a self-study and formal on-site visit once every ten years.

The following is an updated report on this program currently underway.

The Philosophy and Objectives committee's purpose is to develop an educational guideline for the entire professional staff as they seek to provide appropriate programs for all students in our school. This committee has finished writing a new document which was presented to the staff for comments or corrections. It has been accepted and adopted by the Marion School Committee.

The philosophy has been published in the Teachers' Handbook and the Student Handbook. It was recently distributed to the faculty and families of students attending Sippican School. The next task of that committee is to answer the "School Questionnaire on Philosophy and Objectives" as outlined by NESAC.

The School and Community Profile Committee has collected all necessary data and has completed "A Summary of Data Portraying Significant Features of the School and

All community, teacher and student surveys have been completed and distributed to the members of the Steering Committee and administrators. Currently the task is to distribute the survey results to the staff members.

Copies of the new philosophy can be obtained through the school or at the Marion Town House.

POSITIVE DISCIPLINE FOR HOME & SCHOOL

After viewing Richard D. Lavoie's tape, "F.A.T. City", Barbara Bush stated, "I was so moved by your presentation and would love to think that every teacher and parent in America could see it too!"

On October 4th every teacher in the Mattapoisett, Marion, and Rochester District viewed this educational tape on the academic problems and emotional trauma that learning disabled children face.

On November 18th at 7:30 in the Old Rochester Regional High School Auditorium, Mattapoisett, Richard D. Lavoie will be the featured speaker for everyone. Sponsored by the ORR School District Special Needs Parents Advisory Committee and NBIS, he will speak on the topic, "Positive Discipline

for Home and School".

Mr. Lavoie is a nationally known educator and lecturer on parenting skills and learning difficulties. Currently the Executive Director of Riverview School in Sandwich, MA, he is also a consultant in special education and learning disabilities to 400 schools across America, the National Center for Learning Disabilities, and several publications such as the New York Times, Family Circle, and Reading, Inc. Mr. Lavoie has published articles in "Their World Magazine", "Journal of Learning Disabilities" and "Parents Together" as well as appearing on Good Morning America and Disney Channel Presents.

The behavior/discipline topic was chosen by the MMR ORR SPED PAC for Mr. Lavoie in the hope that it would appeal not only to the parent and professional dealing with the learning disabled child, but with all children in general. It is hoped that this important issue will bring together a wide audience.

Old Hammondtown School

TEACHER ATTENDED INSTITUTE-HARVARD

Daune Smith, a teacher at Old Hammondtown School in Mattapoisett, attended a one-week institute at Harvard this summer. The fifty participants met to explore approaches and strategies to revitalize civic learning in English and Social Studies curricula. The institute addressed several major concerns about reading and writing as fundamental skills for citizenship. Guest speakers presented historical, theoretical and practical approaches to civic literacy. The topics included:

Multiculturalism and common citizenship; Using writing to develop thinking and civic learning; Developing a multicultural literature program with a civic perspective; Using history to teach controversial subjects; The role of argument in civic education; The process of research and report writing, with special focus on the local community; Ethical issues in teaching literature

Using an interdisciplinary approach to social studies, science, writing, art, and research, Mrs. Smith's students will develop a civic identity by supporting recycling efforts in their town. The students will become aware of the opportunities to write for a civic purpose, and will actively participate in the civic arena. Mrs. Smith will be drawing on the ideas of the guest lectures and workshop discussions to refine the teaching units.

The Institute on Writing, Reading and Civic Education has been funded by the Lincoln and Terese Filene Foundation for five years.

TEACHER PARTICIPATES IN JASON PROJECT

Karen McQuillan, a sixth grade teacher at Old Hammondtown School, participated in the JASON Project Training Session at the Woods Hole Oceanographic Institution October 5th. Miss McQuillan has participated with her students in this project since it began in 1989.

This year's project highlights the science and history of the Galapagos Islands as well

as the technology that makes this venture possible. The curriculum which the sixth graders will study throughout the fall was designed by the National Science Teachers' Association.

In early December the sixth graders will take an "electronic" field trip via Woods Hole, where they will participate in a live interactive satellite TV broadcast between the Institution and the expedition site in the Galapagos Islands. Broadcasts will feature Dr. Robert Ballard and the Institution's Remotely Operated Vehicle JASON JR., first used to explore the wreck of the R.M.S. Titanic in 1986.

The students will have the opportunity to speak with Dr. Ballard and his team of scientists via satellite, and to ask questions about the expedition as it takes place. Past years' involvement in the JASON Project have shown that this is a very exciting and worthwhile experience for Mattapoisett's sixth graders.

Pre-School Screening

A screening clinic for three and four year old children will be offered at the Sippican School in Marion on Friday, October 25th. The screening is offered to age-eligible children residing in the towns of Marion, Mattapoisett, and Rochester. The purpose of the screening is to identify young children with potential learning problems.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is"on target",

Project GROW
RECEIVES AWARD

Project GROW, Old Rochester Regional School District's early childhood program, was selected as a winner in Exceptional Parent magazine's 1991 School Mainstreaming Contest. An article and photos appear in the September 1991 issue of the publication. Exceptional Parent magazine is distributed nationally, providing information of all kinds to parents of disabled children.

Nominated for the contest by Sippican School parent Kathy Lyons, Project GROW was recognized for successfully challenging children with a wide range of abilities, including special needs and non-special needs children. Therapists plan their activities to mesh with regular classroom activities. Each child is recognized for his/her particular strengths and abilities.

Anyone wishing to visit Project GROW may call Jane Taylor, Early Childhood Coordinator, at 748-0100 to make an appointment.

REUNION COMMITTEE

Friends of the Elderly

WEDNESDAY SOCIAL ACTIVITY DAY

The Friends of the Elderly will continue to sponsor a social activity day each Wednesday at Village Court. Each month seniors will make a little gift for the seniors at area nursing homes followed by games and activities. The fun begins at 1:30 p.m. and ends at 3:00.

Each Wednesday will be a social gathering day where seniors can participate in the activities or merely sit and converse with friends and share a cup of tea or coffee.

No reservations are required. Everyone welcome.

SIGN LANGUAGE COURSES

The Friends will continue to sponsor Sign Language courses, both adult and Saturday morning classes for children. Textbooks for the adults have been donated by the Mattapoisett Lions' Club and the textbooks for the children have been donated by The Friends of the Elderly of Mattapoisett.

SHARE SUPPLEMENTAL FOOD PROGRAM

To the young people of Mattapoisett: Many of you do not realize that SHARE, a supplemental food program, is for the young as well as the elderly. It is a way to stretch your food dollar and families certainly need to do this in these days of rising food costs. Everyone is eligible - for $14.00 you receive $30-$35. worth of frozen meats, fresh produce, and fresh fruits. You need only to put in two hours of community service to be eligible - this could be helping an elderly neighbor, babysitting, visiting nursing homes, or helping us give out the food on pick-up day.

The Friends of the Elderly of Mattapoisett have begun this food program in October and have sixty-one participants. Even if you have not registered for October, on October 26th, Pick-Up Day, anyone can register and pay for the November food package. Fairhaven and area towns are welcome. Location for registration and pick-up is the Dunseith property at the corner of Route 6 and North Street (look for the Seahorse). Please use the driveway nearest the former A&P building to enter. If you have any questions about this program call Vivianne Surprenant, chairperson, at 758-6451.

SHARE has become a community project and has come about because of the cooperation of the Mattapoisett Land Trust, who has allowed us use of the Dunseith property, Mr. Dave McIntyre of Mahoney's Building

Calla Urbanski and Rocky Marval. This thrilling pair have just returned from their overwhelming victory at the recently held Skate America. Urbanski and Marval have received rave reviews and are sure to provide crowds with breath-taking excitement. Skate '91 director Rita Blair of Wareham reports that she was amazed when she saw Urganski and Marval perform an incredible throw axle. This is a jump in which Rocky lifts his partner and hurls her high across the ice. As Rita Blair reports, "You won't believe it!"

cantly enhance insurance programs for veterans and their beneficiaries.

Under legislation recently signed by the President, the eligibility period for applying for Service-Disabled Insurance (SDVI) has been extended from one to two years. Veterans will now have two years from the date of a service-connected disability rating to apply for SDVI coverage, commonly known as "RH" insurance. The law also increases to two years the period during which a veteran who has been declared mentally incompetent from a service-connected disability will be deemed to have applied for and been granted gratuitous SDVI. The extension applies only to veterans rated service-connected on or after September 1, 1991.

Under another provision of the new law, all awards for gratuitous SDVI will be paid in a lump sum. Gratuitous insurance is granted in the case of a veteran who became incompetent due to service-connected disability while eligible to apply but who died before an application was filed. This change includes awards currently being paid in installments, as well as all new awards.

The legislation also allows National Service Life Insurance policyholders who have accumulated dividends in a dividend credit

FIRST PROGRAM OF 1991-92 SEASON

Friends of the New Bedford Free Public Library announce their first program for the 1991-92 season. Scheduled for Sunday, October 20th, at 2:00 p.m. at the Buttonwood Branch at 745 Rockdale Avenue, New Bedford, the program will feature Gina Provost, a home school teacher from Natick.

Mrs. Provost will discuss her experiences in getting started as a home teacher, her work with the Natick School System, curriculum she has developed and suggested textbooks. Handout materials will be available, some of which have been utilized in a newsletter she is currently organizing.

A question and answer session will follow Mrs. Provost's lecture which should be of interest to teachers, parents and the general public. Storytelling will be provided by the library staff for children in the audience. The program is free.

Displaced Homemakers

The Bay State Centers for Displaced Homemakers at the YWCA of New Bedford will be offering free Career Counseling workshops starting October 29th, from 10 to 12 at the YWCA. Call 997-5362 to register

New England Contradance

A New England Contradance will be held on Saturday, October 26th, at the Rochester Grange Hall, Hartley Road, Rochester from 8 to 11 p.m.

Beginners of all ages are welcome. Come alone or with friends; dancers change partners throughout the evening.

Instruction and calling will be provided for each dance. Contradancing is an easy-to-learn and sociable dance form and a real New England tradition. Music will be provided by Kerry Elkin, fiddle, and Ruth Richards, piano, and will include dance tunes from New England, Ireland, Scotland, Canada and beyond.

This community event, now in its sixth year, is held on the fourth Saturday of the month and is supported in part by the Mass. Arts Lottery Council through the Rochester Arts Council.

For more information call 763-3410.

vide parents with an overview of the educational philosophy and policies of the school. In addition, parents will go through their child's entire exploratory program in order to learn the unique features of each vocational facility.

The exploratory program at Old Colony allows every freshman to be introduced to four of the school's twelve vocational programs. At the end of the eight week exploratory program the students are better prepared to make a permanent career selection.

At the Parents' Night instructors will be available to present their related and shop programs and to answer questions pertaining to occupational opportunities available to graduates of their program. Parents interested in further information are urged to contact the Guidance Office by calling 763-8011, extension 26.

Old Colony accepts students from the towns of Acushnet, Carver, Mattapoisett, and Rochester. In addition students from Freetown and Lakeville attend the Rochester school.

educational costs will be discussed and the Financial Aid Form (FAF), required by many colleges, will be reviewed.

Local businesses that offer assistance of this type through scholarships, grants, loans or contests are invited to submit materials that will be made available to those in attendance that evening.

The program will be held at the high school, 476 North Avenue in Rochester from 7 to 9 p.m. Parents or business representatives seeking further information are asked to contact Irene Duprey-Gutierrez during school hours. The phone number at Old Colony Voc-Tech is 763-8011.

NATIONAL PSAT EXAMS

National PSAT exams (Practice for the Scholastic Aptitude Test) are scheduled to be held at Old Colony Regional Vocational-Technical High School in Rochester on October 22nd.

Juniors who have not previously taken the PSATS and interested sophomores are encouraged to participate in the testing program. Students benefit from having experienced the type of test they will face in the SATs, often necessary for college acceptance.

Their scores in both the verbal and math sections are analyzed, with specific problem areas identified, allowing them to concentrate on their weakest skills in preparation for future testing.

Students who score well in the PSATs may become eligible for National Merit Scholarships, highly regarded college funding programs.

The PSATs will begin at 8 a.m. and be completed by approximately 10:30. There is a $6.50 fee required upon registration.

Since the numbers of test booklets available at Old Colony will be limited, students are encouraged to register early to ensure their participation. Complete information on the PSATs is available at the school.

From Bishop Stang H.S.

Come one, come all! Bishop Stang High School will be having its First Annual 'Coming Home' celebration and picnic for alums, their families and friends on Sunday, October 20th, at the North Dartmouth campus. The events will commence at 1:00 with registration, followed by a State of the School address by Stang Principal and alum, Theresa Dougall. Current students will then conduct tours of the school, affording the alums an opportunity to see what has changed since their graduation. Headlining the list of improvements made to the school will be the visit to the state of the art science labs, made possible as a result of the current Capital Campaign.

The day will include time for browsing through the Bishop Stang Alum Art exhibit. While the alums and their guests are reminiscing, their young children will be entertained by Stang student Ed Pacheco who doubles as "Eddie the Clown". Those too old for clowning around will be participating in a scavenger hunt at the campus.

The day will conclude with an informal picnic with time for alums to rekindle old friendships and make new ones. Alums who are planning on attending and have not yet responded should call the Development Office at Stang at 993-8959 so that the picnic may be coordinated.

Slocum River Canoe Trip

Join the Lloyd Center on our final canoe excursion of the season as we paddle down the Slocum River on October 19th. Be sure to come as Lloyd Center staff member Krystal Tolley leads you through the encompassing wetlands and wildlife. This promises to be an enjoyable fall outing, with a chance to see migrating birds as well as the fall foliage.

The trip which starts at 9 a.m. and should be completed at 4 p.m. will begin with a review of paddling skills and canoe safety. Participants are urged to bring their own lunches and plenty of liquid refreshments.

The fee for this canoe trip is $15. for Lloyd Center members and $20. for non-members. The Center rents canoe space for $4. per person; however, space is limited, so make your reservations soon by calling the Lloyd Center at 990-0505.

Other Lloyd Center programs in the near future include a barrier beach field study on October 26th and a workshop on wetlands on October 27th. For information concerning these or any other Lloyd Center events call 990-0505.

Explore the Pine Barrens

On October 20th Lloyd Center Director Mark Mello will be leading a trip through pine barrens looking for the beautiful day-flying, state threatened buckmoth. This trip will prove to be an enlightening experience for many, so don't miss this opportunity. Included in this exploration will be a discussion on the origin of the pine barrens and how to identify the characteristics of pine barrens.

The fee for this trip is $3.00 for members, $5.00 for non-members, and $1.00 for children under 12. Please pre-register by calling the Lloyd Center at 990-0505.

Oktoberfest- A Beer Tasting

TO BENEFIT ZEITERION THEATRE

For those who enjoy tasting brews from around the world and would like to learn more about them, don't miss the Zeiterion's OKTOBERFEST - A BEER TASTING on Friday, October 25th, from 5:00 to 8:00 p.m. at the Rotch-Jones-Duff House and Garden Museum, 396 County Street, New Bedford. The beer tasting hosted by Attorney Philip Beauregard, Cardoza's Wine & Spirits and Gaspar's Linguica & Sausage Company will feature all kinds of brews for tasting along with hors d'oeuvres.

The Beer Tasting to benefit the Zeiterion will have representatives from national breweries there to provide you with information on the history and process of producing beer in this country. There will be local home brewers to introduce you to the fine art of brewing.

Tickets are limited, and are $20.00 per person with all proceeds to benefit the Zeiterion. Members of the Zeiterion will receive a special discount on tickets. For more information and tickets call the Zeiterion Box Office at 994-2900.
